

# 6TH ANNUAL INDUSTRY DAYS

In an ongoing effort to provide those working with Boilers and Pressure Vessels with the **latest developments** in design and technology, the Wisconsin Boilers Inspectors Association (WBIA), the National Board of Boiler and Pressure Vessel Inspectors and the Wisconsin Department of Commerce - Safety & Buildings Division are co-sponsoring the Sixth Annual Industry Days. Last year's event was well received and this year's will be even better. We have experienced speakers from the **National Board** that will entertain as well as inform. This is an excellent chance for you to see old friends, meet new ones and hone your professional skills.

**Lunch is included both days** with your registration.

This training meets the requirements for Continuing Education set by the State of Wisconsin. This two day training seminar will award credit to you for attendance at the end of each day of attendance.

*Pre-registering is critical. After March 30, 2010 registration is \$150 and training materials may not be available.*

Training seminar brought to you by the National Board and the WBIA (Wisconsin Boiler Inspector's Association) in conjunction with the Wisconsin Department of Commerce—Safety & Buildings Division.

# SPEAKERS

The National Board In-service Training Seminar program and staff have been selected to provide two days of training April 14 and 15 at the Marriott Hotel, 7111 Washington Ave. in the City of Racine, Wisconsin.

The National Board In-service training seminar is presented by technical instructors that hold numerous years of related education and experience in the construction, operation, maintenance, repair or engineering phases of the boiler and pressure vessel industry. Many of the National Board instructors have code knowledge backed with experience as engineers, designers, fabricators or inspection officials with backgrounds that are unrivaled in the boiler and pressure vessel industry.

All who attend technical seminars demand both quality presenters and exceptional instructional aids that are critical to an attendees full understanding of the topics. To complement the instructor, the National Board's In-service Seminar booklet is uniquely customized for both subject and audience. In addition, the publication materials are regularly updated to reflect the latest technology, codes and standards. All are included upon registration to attend Wisconsin's 6th Annual Boiler Safety Industry Days event scheduled April 14-15, 2010.

The benefit of National Board training is the organization's renown reputation as a world leader promoting safety and securing a concerted action maintaining uniformity in the construction, installation, inspection, repair, and alteration of pressure retaining items. One may visit the National Board at: [www.nationalboard.org](http://www.nationalboard.org)

Don't miss the 2010 Seminar. Send in your registration today.

# PROGRAM

## Agenda....April 14, 2010, Wednesday

0745-0815 Sign In (Registration)  
 0815-0845 WBIA President & Dept. Commerce  
 0845-0905 Boiler Explosions  
 0905-1030 Combustion Basics  
**1030-1045 Break**  
 1045-1135 NFPA-54  
 1135-1200 NFPA-85  
**1200-1300 Lunch**  
 1300-1400 Piping Systems  
 1400-1430 Heating Boilers  
**1430-1445 Break**  
 1445-1545 Power Boilers  
 1545-1645 Relief Devices  
 1645-1700 Day 1 Conclusion—CEU Info

7 1/2 CEU's to be awarded for specific credential holders

## Agenda....April 15, 2010, Thursday

0745-0815 Sign In (Registration)  
 0815-0830 Welcome WBIA President  
 0830-0900 History of the NBIC  
 0900-1030 NBIC Installation  
**1030-1045 Break**  
 1045-1200 NBIC Inspection  
**1200-1300 Lunch**  
 1300-1330 WBIA Business  
 1330-1430 NBIC Repair/Alterations  
**1430-1445 Break**  
 1445-1615 NBIC Repair/Alteration (con't)  
 1615-1630 Day 2 Conclusion—CEU Info

7 1/2 CEU's to be awarded for specific credential holders

Agenda items may not be given in order listed
